Dear Santa,

We are from Waveland and our home was at:

[redacted] Boyd St.

We are now living at:

Address: [redacted] Boyd St.

City Waveland, State Ms. Zipcode 39576

Phone No. [redacted]

Our family consists of:

(2) Tony [redacted] & Sheila [redacted]

Our Katrina experience was: "Scary"

We stayed in our home for Katrina. As many coast residents we were here for Camille and never dreamed water would come in this far. We left our [redacted] Boyd St home during the storm in waist deep water as trees and power lines were falling to go to a safer home on our street where we watched the flood waters come into Mrs. Beverly [redacted] home, about 19 inches.

Write something special that you would like Santa to bring you or your family:

Anything you are able to give would be greatly appreciated. Maybe to purchase tools or small appliances.

Thanks Santa

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

Nov. 28-05

We watched as the water rose to about 4½ ft. ex our yard. We got 21 inches in our home, as well as roof damage. We lost almost everything, all furniture, appliances, clothes, photo's, family keepsakes. We lost our truck and car, all our outside yard equitment and tools. But our old home is still standing. It's just a shell, needing new walls, new ceilings, new floors ect. We already had a new roof put on. We know we are very blessed because so many people lost it all, even their loved ones. And because we were here we were able to salvage a few things and some photo's. We also have a Fema trailer on our property and able to stay at our home, and that makes it easier to do our repairs).

Thank You
Tony & Sheila [redacted]
